Listing Procedures

Section 1: Listing Procedures

Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients.

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the service area of the multiple listing service, (Beauregard, Sabine and Vernon Parish, Louisiana) and are taken by participants on an exclusive right to sell or an exclusive agency listing form shall be delivered to the multiple listing service within 1 business day after all necessary signatures of seller(s) have been obtained: (Amended 5/20)

- a. Single family homes for sale or exchange
- b. Townhouses, town homes and condominiums for sale or exchange
- c. Vacant lots and acreage for sale or exchange
- d. Two-family, three -family, and four -family residential buildings for sale or exchange

Note 1: The multiple listing service shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing service. However, the multiple listing service, through its legal counsel:

- may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants
- assure that no listing form filed with the multiple listing service establishes, directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller)

The multiple listing service shall accept exclusive right-to-sell listing contracts and exclusive agency listing contracts and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other participants of the multiple listing service acting as subagents, buyer agents, or both. (Amended 11/96)

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing service. (Amended 11/96)

The different types of listing agreements include:

- exclusive right -to-sell
- open
- exclusive agency
- net

The service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted, except where required by law, because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation. (Amended 4/92)

The exclusive right-to-sell listing is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers. (Amended 4/92)

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right -to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to- sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations. (Amended 4/92)

Note 2: A multiple listing service does not regulate the type of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

Note 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. (Adopted 11/92) M

Section 1.01 Clear Cooperation

Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Adopted 11/19) M

Note: Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of the NAR model MLS rules, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants.

Section 1.1: Types of Properties

Following are some of the types of properties that may be published through the service, including types described in the preceding paragraph that are required to be filed with the service and other types as a real estate broker: (Amended 11/91) O

- Residential
- Motel – Hotel
- Residential Income
- Mobile Homes
- Subdivided Vacant Lot

- Mobile Home Parks
- Land and Ranch
- Commercial Income
- Business Opportunity
- Industrial
- New Construction

Section 1.1.1: Listings Subject to Rules and Regulations of the Service

Any listing taken on a contract to be filed with the multiple listing service is subject to the rules and regulations of the service upon signature of the seller(s). R

Section 1.1.1.1: Mobile Homes Not Affixed to Real Property

Mobile or manufactured homes that are not permanently affixed to real property, or that must be moved from their current location as a condition of sale, are considered personal property and are not eligible for submission to the multiple listing service.

Only mobile or manufactured homes that are conveyed with the land on which they are situated, and which met the definition of real property under applicable state law, may be entered into the MLS under the appropriate property type.

Listings submitted in violation of this section are subject to removal and may result in fines as outlined in Section 7.2.

Section 1.2.0: Accuracy of Listing Data

Participants and subscribers are required to submit accurate listing data and required to correct any known errors. M

Section 1.2.1 Property Disclosures

Property Disclosures must be completed on all Residential properties and uploaded to MLS at the time the listing is added. This includes properties that are exempt and new constructions. If the seller marks on Page 7 that the home has a private septic system, seller shall attach a private water/sewer disclosure. If the home was built prior to 1978, sellers must fill out a Lead Based Paint Disclosure.

Residential Listings are required to post Property Disclosures on MLS. Failure to do so will result in an immediate fine, No Warnings will be given. Limited disclosures provided by Corporate Owned properties such as RELO or Banked Owned will mark Exempt, or Participant will note that owner has no knowledge of property. Participants will note in Private Remarks that home is Corporate Owned and could possibly require additional paperwork or time to close.

Section 1.3: Multiple Listing Options for Sellers

Office Exclusive: Where the seller has directed the listing broker to not publicly market their property and to not disseminate it through the MLS to other MLS Participants and Subscribers, the Participant may then take the listing as an office exclusive exempt listing and such listing shall be filed with the MLS, subject to its local filing rules, but not disseminated to other MLS Participants and Subscribers.

Delayed Marketing: Where the seller has directed the listing broker to delay the public marketing of their property through IDX and syndication for Zero (0) days. A delayed marketing exempt listing shall be filed with the MLS, subject

to the local filing rules, and disseminated to other MLS Participants and Subscribers. The listing broker shall not be precluded from marketing the delayed marketing exempt listing in a manner consistent with the seller's choice.

Exempt Listing Disclosure: The filing of an exempt listing (office exclusive or delayed marketing) with the MLS must be pursuant to a certificate signed by the seller, obtained by the listing broker which includes:

- disclosure about the professional relationship between the Participant and the seller;
- acknowledgement that the seller understands the MLS benefits they are waiving or delaying with the exempt listing, such as broad and immediate exposure of their listing through the MLS; and
- confirmation of the seller's decision that their listing not be publicly marketed and disseminated by the MLS to other MLS Participants and Subscribers as an office exclusive listing or that their listing will not have immediate public marketing through IDX and Syndication as a delayed marketing listing.

Multiple Listing Options for Sellers requirements only apply to listing types that are subject to mandatory submission pursuant to the MLS local rules.

Note 1: The Multiple Listing Options for Sellers policy is designed to give consumer greater choice and flexibility in marketing their homes for sale. Each MLS has the unfettered local discretion in determining what is most suitable for their marketplace regarding a Delayed Marketing Exempt listing which includes adopting "0" days or to not implement the Delayed Marketing aspects of the Multiple Listing Options for Sellers policy.

Note 2: MLS Participants must distribute Office Exclusive Exempt listings through the MLS to other MLS Participants and Subscribers within (1) one business day after the listing has been publicly marketed. See Section 1.01 Clear Cooperation. M

Section 1.4: Change of Status of Listing

Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the service within twenty-four (24) hours (excepting weekends, holidays, and postal holidays) after the authorized change is received by the listing broker. R

Section 1.5: Withdrawal of Listing Prior to Expiration

Listings of property may be withdrawn from the multiple listing service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller (s) can document that his or her exclusive relationship with the listing broker has been terminated, the multiple listing service may remove the listing at the request of the seller. (Adopted 11/96) M

Section 1.6: Contingencies Applicable to Listings

Any contingency or conditions of any term in a listing shall be specified and noticed to the participants. Listings that are contingent upon the buyer selling their home will be marked in flex as Active Under Contract.

Section 1.7: Listing Price Specified

The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings unless the property is subject to auction. (Amended 11/92) M

Section 1.8: Listing Multiple Unit Properties

All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the property data form. When part of a listed property has been sold, proper notification should be given to the multiple listing service. O

Section 1.9: No Control of Commission Rates or Fees Charged by Participants

The multiple listing service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by participants. Further, the multiple listing service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating participants or between participants and nonparticipants. M

Section 1.10: Expiration of Listings

Listings filed with the multiple listing service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. (Amended 11/01)

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the service.
(Amended 11/01) M

Section 1.11: Termination Date on Listings

Listings filed with the service shall bear a definite and final termination date, as negotiated between the listing broker and the seller. M

Section 1.12: Service Area

Only listings of the designated types of property located within the service area of the MLS are required to be submitted to the service. Listings of property located outside the MLS's service area will be accepted if submitted voluntarily by a participant but cannot be required by the service. (Amended 11/17)

Section 1.13: Listing of Suspended Participants

When a participant of the service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the suspended participant shall, at the participant's option, be retained in the service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a participant has been suspended from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listings from the MLS, the suspended participant should be advised,

in writing, of the intended removal so that the suspended participant may advise his clients. M

Section 1.14: Listing of Expelled Participants

When a participant of the service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the expelled participant shall, at the participant's option, be retained in the service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a participant has been expelled from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the expelled participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled participant's listings from the MLS, the expelled participant should be advised, in writing, of the intended removal so that the expelled participant may advise his clients. M

Section 1.15: Listing of Resigned Participants

When a participant of the service resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned participant's listings from the MLS, the resigned participant should be advised, in writing, of the intended removal so that the resigned participant may advise his clients. O

Section 1.16: Property Addresses

At the time of filing a listing, participants and subscribers must include a property address available to other participants and subscribers, and if an address doesn't exist, a parcel identification number can be used. Where an address or parcel identification number are unavailable, the information filed with the MLS must include a legal description of the property sufficient to describe its location. (Amended 5/21) M

Selling Procedures

Section 2: Showings and Negotiations

It is strongly recommended that All appointments must be made with the listing agent through Showing Time.

Appointments for showings and negotiations with the seller for the purchase of listed property filed with the multiple listing service shall be conducted through the listing broker, except under the following circumstances:

- a) the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- b) after reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers. (Amended 4/92) M

Section 2.1: Presentation of Offers

The listing broker must make arrangements to present the offer as soon as possible or give the cooperating broker a satisfactory reason for not doing so. (Amended 4/92) M

Section 2.2: Submission of Written Offers

The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer. (Adopted 11/87)

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. (Amended 11/05) M

Section 2.3: Right of Cooperating Broker in Presentation of Offer

The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. (Amended 4/92) M

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. (Amended 11/19) M

Section 2.4: Right of Listing Broker in Presentation of Counter-offer

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions. (Adopted 11/93) M

Section 2.5: Reporting Sales to the Service

Status changes, including final closing of sales and sales prices, shall be reported to the multiple listing service by the listing broker within 48 hours after they have occurred. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within 1 business day after occurrence and the listing broker shall report them to the MLS within 1 business day after receiving notice from the cooperating broker. (Amended 11/11)

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing

with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. (Amended 11/01)

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

- categorizes sale price information as confidential and
- limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 11/11)

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. (Adopted 11/11) M

Section 2.6: Reporting Resolutions of Contingencies

The listing broker shall report to the multiple listing service within twenty-four (24) hours that a contingency on file with the multiple listing service has been fulfilled or renewed, or the agreement cancelled. M

Section 2. 7: Advertising of Listings Filed with the Service

A listing shall not be advertised by any participant other than the listing broker without the prior consent of the listing broker. M

Section 2.8: Reporting Cancellation of Pending Sale

The listing broker shall report immediately to the multiple listing service the cancellation of any pending sale, and the listing shall be reinstated immediately. M

Section 2.9: Disclosing the Existence of Offers

Listing brokers, in response to inquiries from buyers or cooperating brokers shall, with the seller’s approval, disclose the existence of offers on the property. Where disclosure is

authorized, the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker. (Amended 11/08). O

Section 2.10: Availability of Listed Property

Listing brokers shall not misrepresent the availability of access to show or inspect listed property. O

Section 3: Refusal to Sell

If the seller of any listed property filed with the multiple listing service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the service and to all participants. R

Prohibitions

Section 4: Information for Participants Only

Any listing filed with the service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker. M

Section 4.1: For Sale Signs

Only the for sale sign of the listing broker may be placed on a property. (Amended 11/89) M

Section 4.2: Sold Signs

Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. (Amended 4/96) M

Section 4.3: Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the REALTORS' Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. M

Section 4.4: Use of the Terms MLS and Multiple Listing Service

No MLS participant, subscriber, or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. (Adopted 11/07) O

Section 4.5: Services Advertised as "Free"

Section 4.6: Not Filtering of Listings

Participants and subscribers must not filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent.

Division of Commissions

Section 5: No Compensation Specified on MLS Listings

Participants and Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS.

Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating the Participants access to any MLS data and data feeds.

Note 1: The multiple listing service must not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service must not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers.

Note 2: The multiple listing service shall make no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the listing broker.

Note 3: Multiple listing services must give participants the ability to disclose to other participants any potential for a

short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. (Amended 8/24) M

Section 5.0.0 Required Customer

Disclosures of Compensation: MLS Participants and Subscribers must:

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement and pre-closing disclosure documents (if any).
2. Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay. (Adopted 8/24) M

Section 5.0.1: Disclosing Potential Short Sales

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants. (Amended 5/09)

Section 5.0.2 Written Buyer Agreement

Unless inconsistent with the state or federal law or regulation, all MLS Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include:

1. A specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source.
2. The amount of compensation in a manner that is objectively ascertainable and not open-ended.
3. A term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and
4. A conspicuous statement that broker fees and commissions are not set by law and are fully negotiable
5. Failure to complete the Written Buyer Agreement, prior to showing of property, will result in an immediate fine.

Section 5.1: Participant as Principal

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service

participants. M

Section 5.2: Participant as Purchaser

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. (Adopted 2/92) M

Section 5.3: Dual or Variable Rate Commission Arrangements

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. (Amended 5/01) M

Section 5.4.1: Branding

- 1.) The fields "Public Remarks" and photographic fields "Description" or "Captions" may only contain language that relates to the characteristics of the listed property. (Amended 7/2012)

A selling agent may not enter any listing that is not their own listing before contacting the listing agent or broker, unless the agent or broker is not a member of our MLS.

Section 5:6 Pictures on the MLS

First picture in a residential or commercial listing must be the front of the home or building. Photos must be a current photo. If tenants prevent access to the inside of the home, older pictures (of the inside only) can be used but must be notated in Private remarks with the date photos were taken and the reason new photos aren't available.

Residential listings must have a minimum of 5 photos. First photo must be a picture of the front of the house. Must include 1 front elevation and 4 interiors (kitchen, bedrooms, and bathrooms.) New construction (just slab) photo can not be a rendition. You can add a floor plan.

Listings of proposed new construction photos as rendering are not permitted. Use of other

agent's pictures are strictly prohibited.

Section 5:7 Lock Box Access Rules

No participate or agent can loan out any lock box cards or credentials for use to any person outside their office.

Service Charges

Section 6: Service Fees and Charges

The following service charges for operation of the multiple listing service are in effect to defray the costs of the service and are subject to change from time to time in the manner prescribed:

Initial Participation Fee: An applicant for participation in the service shall pay an application fee of \$750.00 with such fee to accompany the application.

Note: The initial participation fee shall approximate the cost of bringing the service to the participant. This fee may be waived if 2 existing offices (offices that have already been created in our MLS) are merged into 1 New office. This request must be submitted to the MLS committee for approval. Each request will be evaluated based on the history of the office submitting request.

Recurring Participation Fee: The annual participation fee of each participant shall be an amount equal to \$ 456.00 times each salesperson who has access to and use of the service, whether licensed as a broker or sales licensee, who is employed by or affiliated as an independent contractor with such participant. Payment of such fees shall be made on or before the first day of each quarter of the year of the multiple listing service. Fees shall be prorated on a monthly basis.

In August 2018, the NAR Leadership Team made additional revisions to the Model MLS Rules and Regulations. The language in the paragraph below will appear different from the printed version of the Handbook on Multiple Listing Policy.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker participants sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated. * (Amended 5/18 and 8/18 [Leadership Team]) M

Note 1: A multiple listing service may elect to have such fees payable on a quarterly or even monthly schedule. However, added administrative services are necessitated by increased frequency of such payments.

Note 2: Multiple listing services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers among those eligible for access to and use of MLS information as subscribers may, at their discretion, charge recurring fees. (Amended 11/17)

*Note: Mandatory waiver provision is effective no later than July 1, 2018.

Listing Fee: There are no listing fee charges.

Appraisers Initial Participation Fee:

A Licensed or Certified Appraiser shall pay \$100.00 application fee and \$42.00 per month prorated for three (3) months with such fee to accompany the application. Appraisers will have access to “sold” “pending” and “active” listings.

Compliance With Rules

Section 7: Compliance With Rules- Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a) letter of warning
- b) letter of reprimand
- c) attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d) appropriate, reasonable fine not to exceed \$15,000
- e) suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- f) termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. (Revised 11/14) M

Note 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14) M

Note 2: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year. (Adopted 11/20) M

Section 7.1: Compliance with Rules

The following action may be taken for noncompliance with the rules:

- a) for failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) days' notice has been given, the service shall be suspended until service charges or fees are paid in full

b) for failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply

Note: Generally, warning, censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the rules and regulations. (Amended 11/88)

R

Section 7. 2: Fines

Complaints of MLS Violations will be sent to the Broker. Broker will have 24 hours to have corrections made before a fine is levied.

(At the discretion of the board)

Section 7.2 1: Enforcement of Fines Levied

The following action will be taken for noncompliance with the rules:

- All fines must be paid within 15 days from date of notice on the 16th day after notice and non-payment of fine the licensees whom the fine is levied against will have all MLS benefits suspended and access to MLS disconnected. The Participant will be notified in writing by email and if the fine is not paid within 30 days from original notice of the fine, the Participant's privileges and all licensees affiliated with the participant to the MLS will be suspended for a period of 6 months and MLS turned off.
- All notices of fines will be sent to the offending licensee and the Participant whom the licensee is affiliated with.

- If listing agent fails to insert the front picture of the home as the first picture on MLS the AE will remove listing from MLS and notify licensee and participant that listing has been deleted and removed and will have to be reloaded to MLS. This applies to all insertions to the MLS, including but not limited to active listings and sold listings provided for comparable.
- Fines will be imposed if the AE finds renderings of new construction listed on proposed new construction homes. AE will remove listing from MLS and notify licensee and Participant.

The AE will verify and prove without a reasonable doubt that a violation has occurred. For example, a printed copy of a listing on a broker's website that is not entered into the MLS will suffice as proof, once the AE has watched it for 5 days of the website or if an ad is copied from a previous month's printed publication, a dated and time stamped photo of listing submitted by a member would suffice as proof.

Participates and/or subscribers agree to supply the AE with requested materials to investigate an alleged violation. If materials requested by the AE from the accused participate/subscriber are not supplied within 48 hours, penalties will be assessed.

Once the violation is verified by the AE, the AE will levy the fine by notifying the violating licensees and the participant by email, preserving and documenting dates of notices in an open file until the matter is settled and fine is paid. AE will have full power to levy, collect, and enforce all fines once levied.

All violations of the rules will be reported to the Association Executive Officer herein referred to as "AE" and will be held in the strictest of confidence. In an effort to stop dissension between members, the AE will not disclose the names of the licensee who reported the violation or the member who the complaint is reported on to any members, officers, board members, or committee members.

The AE will provide to the board each month a summary of numbers of complaints filed categorized by category with no names included.

Section 7.3 Appeal of fines levied

All fines must be paid once levied, and no appeal will be accepted or heard from the MLS committee on any unpaid fine or rule violation until fine has been paid. The Participant will submit a request for appeal to the AE who will immediately forward a copy to the President and the MLS chairman for review. If the MLS chairperson decides there is substantive proof that no violation occurred, he/she will set a hearing to be held within 10 days. The licensee and Participant are required to attend the hearing. In the event they both do not attend the hearing; the appeal will be dismissed and will no longer take up the matter.

(Amended 11/20) M

Section 9.1: Violations of Rules and Regulations

If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the multiple listing service committee, and if a violation is determined, the committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS within twenty (20) days following receipt of the committee's decision. (Amended 11/96)

If, rather than conducting an administrative review, the multiple listing committee has a procedure established to conduct hearings, the decision of the multiple listing committee may be appealed to the board of directors of the association of REALTORS within twenty (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the association's grievance committee for processing in accordance with the professional standards procedures of the association. Section 9.3: Complaints of Unauthorized Use of Listing Content

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the committee (Board of Directors) will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

In after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. (Adopted 5/18) M

Section 9.4: MLS Rules Violation

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. (Adopted 5/18) M

Note: Adoption of Sections 9.3 and 9.4 are not required if the MLS has adopted alternative procedures to address alleged misuse of listing content that includes notice to the alleged infringer.

Confidentiality of MLS Information

Section 10: Confidentiality of MLS Information

Any information provided by the multiple listing service to the participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such

participants. (Amended 4/92) M

Section 10.1 MLS Not Responsible for Accuracy of Information

The information published and disseminated by the service is communicated verbatim, without change by the service, as filed with the service by the participant. The service does not verify such information provided and disclaims any responsibility for its accuracy. Each participant agrees to hold the service harmless against any liability arising from any inaccuracy or inadequacy of the information such participant provides. R

Ownership of MLS Compilation* and Copyright

*The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

Section 11 Ownership of MLS Compilation* and Copyright

By the act of submitting any property listing content to the MLS, the participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to the listed property. (Amended 5/18) M

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. (Adopted 5/18) M

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. §512. (Adopted 11/15) I

Section 11.1

All right, title, and interest in each copy of every multiple listing compilation created and copyrighted by the Greater Fort Polk Area Realtors Association of REALTORS and in the copyrights therein, shall at all times remain vested in the Greater Fort Polk Area Realtors Association of REALTORS. R

Section 11.2: Display

Each participant shall be entitled to lease from the Greater Fort Polk Area Realtors Association of REALTORS a number of copies of each MLS compilation sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such compilation. The participant shall pay for each such copy the rental fee set by the association. *

*This section should not be construed to require the participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

Participants shall acquire by such lease only the right to use the MLS compilation in accordance with these rules. M

Use of Copyrighted MLS Compilation

Section 12: Distribution

Participants shall, at all times, maintain control over and responsibility for each copy of any MLS compilation leased to them by the association of REALTORS, and shall not distribute any such copies to persons other than subscribers who are affiliated with such participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an association multiple listing service where access to such information is prohibited by law. (Amended 4/92) R

Section 12.1: Display

Participants and those persons affiliated as licensees with such participants shall be permitted to display the MLS compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation. M

Section 12.2: Reproduction

Participants or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers a reasonable* number of single copies of property listing data contained in the MLS compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the participant or their affiliated licensees, be interested.

*It is intended that the participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has

expressed interest, or in which the participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. (Amended 05/14)

Use of MLS Information

Section 13: Limitations on Use of MLS Information

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. (Amended 05/12) M

Section 18.2.3

Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly accessible websites or VOWs) or other electronic forms of display or distribution. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSS on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. Section 19: Virtual Office Websites (VOWs)

Note: Adoption of Sections 19.1 through 19.14 is mandatory.

Section 19.1 VOW Defined

a) A "Virtual Office Website" (VOW) is a participant's Internet website, or a feature of a participant's website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant's oversight, supervision, and accountability. A non- principal broker or sales licensee affiliated with a participant may, with his or her participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant's oversight, supervision, and accountability. M

b) As used in Section 19 of these rules, the term "participant" includes a participant's affiliated non - principal brokers and sales licensees—except when the term is used in the phrases "participant's consent" and "participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all Virtual Office Websites, whether operated by a participant, by a non -principal broker or sales licensee, or by an "Affiliated VOW Partner" (AVP) on behalf of a participant. M

c) "Affiliated VOW Partner" (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant's supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW. M

As used in Section 19 of these rules, the term "MLS listing information" refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participant s. M

Section 19.2

a) The right of a participant's VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices. M

b) Subject to the provisions of the VOW policy and these rules, a participant's VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., "Internet Data Exchange" (IDX). M

c) Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant's VOW. M

Section 19.3

a) Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.

- i. The participant must first establish with that consumer a lawful broker -consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non -agency, and other disclosure obligations, and execution of any required agreements.
- ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.
- iii. The participant must require each Registrant to have a username and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the username and password or may allow the Registrant to establish its username and password. The participant must also assure that any e-mail address is associated with only one username and password. M

b) The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, username, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password. M

c) If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, username, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant. M

d) The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:

- i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant
- ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
- iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
- iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
- v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database M

e) The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click. M

f) The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant. M

Section 19.4

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW. M

Section 19.5

A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS. M

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

a) A participant's VOW shall not display the listings, or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet. M

b) A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision. M

c) The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater. M

The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants' websites. A participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller. M

Section 19.8

A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. Section 19.13

A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies. M

Section 19.14

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP

operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant. M

Note: Adoption of Sections 19.15 through 19.19 is at the discretion of the MLS. However, if any of the following sections are adopted, an equivalent requirement must be imposed on participants' use of MLS listing information in providing brokerage service through all other delivery mechanisms.

Section 19.15

A participant's VOW may not make available for search by or display to Registrants any of the following information:

a) expired and withdrawn listings

Note: Due to the 2015 changes in IDX policy and the requirement that participants be permitted to make MLS listing information available to Registrants of VOW sites where such information may be made available via other delivery mechanisms, MLSs can no longer prohibit the display of pending ("under contract") listings on VOW sites.

b) the type of listing agreement, i.e., exclusive right-to-sell or exclusive agency

The participant may, however, augment MLS listing information with additional information not otherwise prohibited by these rules or by other applicable MLS rules or policies, as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS listing information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields. O

Section 19.17

A participant shall cause to be placed on his or her VOW a notice indicating that the MLS listing information displayed on the VOW is deemed reliable, but is not guaranteed accurate by the MLS. A participant's VOW may include other appropriate disclaimers necessary to protect the participant and/or the MLS from liability. O

Section 19.18

A participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm, the listing broker or agent, and the email or phone number provided by the listing participant in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.
